CONSTRUCTION TRADE READY

DGT has partnered with Diggerman to offer you an opportunity to take the **first step in your Construction career** by completing this **Trade Ready Program on the Sunshine Coast**

DGT is a proud recipient of Construction Skills Queensland (CSQ) funding for the Trade Ready program. This fully funded program provides Participants the opportunity to undertake skills training and development in a safe simulated work environment before undertaking a Structured Workplace Learning activity with one of our supporting Construction partners.

Trade Ready provides Participants with the foundations to enter the Building and Construction industry with technical training and employability skills.

The program is conducted over six weeks, including three weeks of skills and employability training and three weeks structured workplace learning, providing direct exposure to a variety of construction trades and professions.
